Chief, Communications, DPD
A/C/DPD

25X1A

SUBJECT: Manning Requirements for Control Tower and
OCA at [REDACTED]

25X1A

1. It is planned to activate the control tower and OCA unit at [REDACTED] to coincide with the commencement of flight operations of the GECART vehicle. As this is currently scheduled to be on approximately 1 March 1961, request that control tower and OCA operators and maintenance men be programmed to be in place on 1 February 1961.

25X1A

2. An air-to-ground communications capability will be required prior to 1 February. However, this can be in the form of a mobile control vehicle and can be operated by one of the Air Force officers at [REDACTED] upon notification of an inbound aircraft.
